

### Local Area Accidents Hurt Three

A 15-year-old Redondo Beach girl was injured Friday in an accident at Hawthorne Ave. and Newton St.

Toby Porter, a passenger in a car driven by Michael Richard Ciuri, 18, of Redondo Beach, was taken to Harbor General Hospital, and later released. The driver of the other car was Kenneth Ellsworth Lundquist, 31, was uninjured.

Sherry Ann Heskett, 19, of 2526 Alliene St., Lomita, escaped serious injury Thursday when her car overturned on Torrance Blvd., near the Redondo Beach city limits.

The car sheared a telephone pole before flipping over. The woman, who received only a scratched leg, could give no reason for the accident other than a possible blackout. She told officers she was driving down the street and the next thing she knew she was lying on the pavement.

Stanley Boyd Jackson Jr., 14, of 16926 Elgar Ave., received cuts and bruises when the car he was riding in collided with another at 168th St. and Glenburn Ave., Thursday.

Drivers were Linda Jackson, 35, of the Elgar Ave. address and Dorothy Gertrude May Hansen, 25, of 3334 W. 174th St.

### Course Set In Business Management

A course in small business management, offering three units of regular transferable college credits, is being programmed by Harbor Evening College on Mondays from 6:30 to 9:30 p.m., according to Hope M. Powell, chairman of the business division.

The content of the course includes study of the essentials of successful management of a small business, such as location, layout, organization, buying and pricing.

The instructor will be Clyde W. Reading, a specialist in factors making for successful business enterprise. He has had extensive practical experience in merchandising both in Chicago and Los Angeles and is a graduate of the University of Illinois and Northwestern University, where he was an instructor.

### Angry Driver Road Menace, CHP Asserts

Competition on the highway is dangerous says the California Highway Patrol.

"Drivers who attempt to race with other motorists away from traffic lights or on the open highway are flirting with danger and possible death," declared Patrol Commissioner B. R. Caldwell. "This urge to beat the other fellow frequently leads to mistake followed by an accident in which one or more cars are involved."

"Another type of dangerous competition on the highway is the retaliation maneuver made by an angry driver," Caldwell reminded motorists. "You only aggravate the problem and increase the danger when you try to get even for some wrong, imaginary or real, inflicted by another motorist."

"Driving in today's traffic calls for full attention every minute if safety is to be maintained," he said. "The safe way is to cooperate with the other driver and ignore those who irk you or try to snare you into competition action."

### HARBOR AREA ORGAN CLUB PLANS MEETING

A Harbor Area Organ Club, composed of home organ owners in the area, will be organized at 7:30 p.m. on Monday, Feb. 10, at the Gas Co. auditorium, Eighth and Grand, San Pedro.

On hand will be William McMain, director of studio promotion for the Conn Organ Corp. He also will conduct a free music teaching clinic in the Gas Co. auditorium at 9:30 a.m. the same day. He was organist for both political conventions in 1952 and 1956.

### Local Truck Driver Will Receive Award

James C. Reeves, 700 Border Ave., Pacific Motor Trucking Co. driver, will receive a National Safety Council award this week end for his 10-year record of accident-free driving.
